### GENERAL INFORMATION

The Heartland Regional Fire Training Foundation (HRFTF) is providing up to three (3) scholarships to volunteers and/or individuals who wish to attend the Heartland Fire Academy but will not get their tuition covered through a sponsorship.

### SCHOLARSHIP BENEFITS

The Foundation scholarship provides funds to cover tuition and books. The scholarship does not pay for mileage, insurance benefits, or a per diem.

The Foundation knows how difficult it is for a qualified person to commit financially to a fire academy program. It is believed that by offering this scholarship it will allow qualified recipients to attend the academy that otherwise may not afford to do so.

Scholarship recipients must attend the entire Recruit Firefighters Academy in its duration and pass all exams. Recipients, who fail to comply with provisions of their scholarship contract, for any reason, are liable to the Heartland Fire Training Academy for all tuition and fees.
