A-8 LAST RESPONDER STATUS FOR PARAMEDIC AMBULANCES

CENTRAL ZONE

In order to assure maximum availability of paramedic ambulances, the following guidelines will be followed:

- Paramedic ambulances may go on "last responder" status within their respective agency for scheduled TOTF training.
- Units may also utilize last responder status when coordinated through their respective agencies Duty Chief.

The exception to this policy is M25, M27 and M63; these units do not go out of service training unless approved by their Duty Chief.
