Number: **Title:** **Page 1 of 1**

D-5.1 STATUS CHANGES

Status changes will typically be communicated by MDC (preferred):

- **En route assigned call.**
- **At scene.**
- **Transporting to Hospital**
- **Available.**
- **In quarters**

Status changes typically communicated verbally:

- Delayed
- Third – Six Responder
- Time Specific (for Training or other)
- In/Out of Service (Verbally)
- Personnel
- When enroute to hospital for personnel pick up
- Mechanical
- Training (provided approximate time)
- When enroute to TOTF (Tom Owen Training Facility).
- When enroute to IST (In-service training)
- Returning from TOTF
- Returing from IST

Chief Officers have the authority to go out of service or delayed via MDC based on agency policy, all other units shall advice dispatch verbally.
